

# WELCOME TO THE 2018 FIELD ADVISORY BOARD

## SONIA MAGRUDER

When Sonia Magruder found Purium, she was only looking for a healthy weight loss solution—but she found so much more. Sonia and her husband/business partner Doug quickly realized the Purium potential to earn money and change lives while doing it. In just a year and half, Purium has replaced her full-time real estate income, allowing her to foster her development and mentoring skills.

## SARAH RHINELANDER

For over a decade, Sarah Rhinelander supported hundreds of people during deep, transformational processes through the healing arts. Since being introduced to Purium while experiencing postpartum anxiety, the products helped transform her spirit and set her on a path of leadership. Since then, Sarah has sky-rocketed to a 3-Star Crown, encouraging mothers to give to themselves more often while growing to new levels of health and happiness.

## JODI AGUEDA

Jodi and her late mother Kathi were Purium's first and most successful mother-daughter duo. Jodi grew up soaking in all her mother's extensive networking experience, applying it to her own ambitions. Today, Jodi carries on the family mission with great pride and enjoys spreading Purium's opportunities, such as health, wealth and freedom.

## CINDI KELLY

After being introduced to Purium by her friend, Cindi fell in love. As a mom, she felt passionate about providing her kids with the best nutrition and Purium helped her do that. Combining her love of healthy living and paying it forward, she has become a 2-Star Crown who empowers other moms to make positive changes.

### **DR. DANA MCGRADY**

Dr. Dana McGrady was ready to politely decline a client's attempt to introduce her to Purium, but she didn't. After running the products through her office's high-level testing devices, she was blown away by the results. Since then, Dr. Dana has continued to educate and spread Purium's message through social media and her helpful book, "Magnetic Soulpreneur."

### **RACHEL ORTENSE**

Rachel Ortense fulfilled her life's vision by working as a Pilates instructor, but when she moved out of the city and became a mother, her equation for fulfillment changed. After a career in pharmaceutical sales, Rachel forged a new path by combining her two passions (health and entrepreneurship) with Purium. Today, her team expands throughout the country as she continues to inspire.

### **JOHN ALTSHULER**

John Altshuler took a leap of faith in transitioning from a banker in the financial world to Purium Health Advocate, and boy, did it pay off! Together with his wife, John believes life's all about loving others and aligning missions. They have grown their business and team with inspirational stories, ideas and concrete systems that continue to make a life-changing difference in the world.

### **SKYLAR MALLAS-DARBY**

NYC-born but Hawaii-bound, Skylar Mallas is a proud mother, wife and entrepreneur. In 2014, a friend introduced Skylar to Purium to help her struggling 15-year-old daughter Alaya. Since then, Skylar has felt motivated to empower others to take charge of their health and reach their goals with Purium, while also creating her own booming business.
