

WHAT ATHLETES ARE SAYING about PURIUM

**HAWAII'S 2013 FITTEST MAN
IKAIKA PASCUA**

"I struggled with putting on muscle mass and building strength for about 5 years, from age 21-26 I was stuck at 170 lbs. Two years ago, I tried Purium and since then I put on a solid 15 lbs of muscle mass and enjoyed a whole lot of strength and fitness gains."

**TAMPA BAY BUC'S ALL-PRO
GERALD MCCOY**

"I work out 2-3 hours every day in the off-season: field drills, lifting, running. It can be really tough to stay energized and stay motivated every day. I lost 18 pounds in 10 days on Purium and found that I could still work out while dropping the weight."

**SHREDDED IN 10 DAYS
JENNY CARTER**

"When I got a wrist injury after regionals, I let myself eat whatever I wanted and wasn't training. By day 10 on Purium, I was extremely shocked at how quickly I shredded up. I woke up with tons of energy and was sleeping better than ever."
