Featured Corporate Speakers:

David Sandoval

David Sandoval is the owner, founder, Chief Science Officer, and visionary behind Purium. Dave is also the author of "The Green Foods Bible" which has been translated into 4 languages and is the definitive guide to all the best green superfoods from the land and the sea. To compose Purium's pure and premium phytonutrient-rich formulas, he has spent decades combining scientific research and traditional holistic teachings from around the world.

David Litt

David Litt is the Vice President of Sales and Marketing for Purium. He brings with him the valuable experience of being a senior-level sales and marketing executive for one of the 500 largest companies in the US, one of the oldest companies in the US, and one of the 500 fastest growing companies in the US.
