LAUNCHING FALL 2015! PURIUM FOR KIDS

MAKING HEALTHY COOL

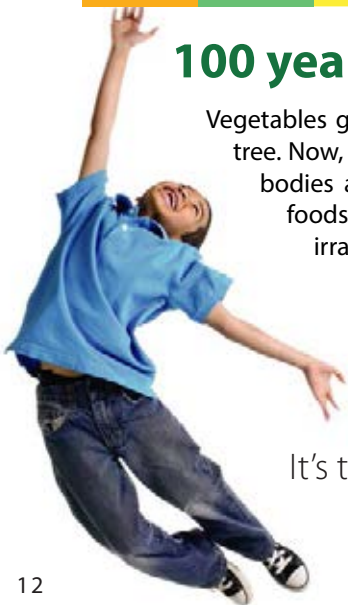

Remove Sugar, GMOs & Chemicals
from your child's food pyramid

100 years ago all food was organic

Vegetables grew from the earth. Fruit was picked right off the tree. Now, many of the things that our children put into their bodies are made by chemists in laboratories. They aren't foods at all. They're food-like substances. Processed, irradiated and genetically-modified.

At Purium,
we know there
is a better way.

It's time to take back our food.
The health of our children
depends on it!

POWER KIDS

"THE ANTI-SODA"

Soda is exactly what kids DON'T need – sugar, caffeine, carbonation and artificial ingredients. It's like a scientist created the perfect chemical cocktail to disrupt a child's normal body functions. And, unfortunately, sports drinks and juice boxes really aren't much better. But now you have a healthy choice!

Power Kids delivers whole food nutrients that support the normal functions of the brain and body.

- Whole food nutrition
- Healthy "growth factor"
- Balances blood sugar
- Delivers calm, sustained energy

Item: 2232 (Power Kids - powder blend)

POWER TABS

"VITAMINS FROM FOOD"

Your child's body is designed to extract vitamins and minerals from food. Those synthetic multi-vitamin and multi-mineral supplements with the cartoon characters (and the artificial colors and flavors) don't get absorbed and utilized like the numbers might appear on the label. In fact, there are some studies that say they may do more harm than good.

Your child will love Power Tabs, our 100% non-GMO, 100% natural whole food supplements made with real organic ingredients. Plus, they are so delicious your child will say "Puri-Yum!"

- Whole food based
- 100% organic
- 100% non-GMO

Item: 2233 (Power Tabs – chewable tablets)

IN FOCUS

"THE ANTI-ENERGY DRINK"

Don't let your child get addicted to the jittery buzz of central nervous stimulants like caffeine and sugar while his/her body is still developing. One of these neon drinks during the day, can overload and overwhelm a growing body well into the evening. **In Focus** uses natural herbs to create a natural, calming focus.

This product is designed to help with schoolwork, sports, general health and may even help with positive attitude and behavior. You will give this product an A+!

- Creates a calm focus
- No central nervous stimulants
- Herbs that are safe for children

Item: 2234 (In Focus – liquid tincture)

IMMUNE SHIELD

"A DROP OF HEALTH INSURANCE"

Sniffles and scratchy throats are often common occurrences as children build-up their immune systems. Sometimes it seems as though low-level "bugs" can last from fall through spring. **Immune Shield** is the all-natural, proactive approach to supporting your child's system. Just a few drops

can keep children healthier as well as re-balance little bodies when they aren't at 100% strength.

- Supports immunity
- Can be taken daily
- No pharmaceuticals
- No side effects

Item: 2235 (Immune Shield – liquid tincture)

KIDS PACK

"THE KIDS PACK" Includes: Power Kids, Power Tabs and In Focus.

Item: 2236 (Kids Pack)

ANTI-AGING TESTIMONIAL **Shelly Baron**

"In my entire [79 years of] life, I have never before witnessed the kind of physical improvements like those I have seen with David Sandoval's Purium Health Products. Please don't take this statement lightly- let me tell you that I certainly don't. You see, nearly forty-two years ago, I was evaluated by four teams of specialists in New York City – the best in their field – and the diagnosis was unanimous. I was given just six months to live. I read everything I could on nutrition and joined every group. I made significant changes to my food plans, eliminating all sugar, flour and wheat products from my diet. Yet, there was always struggle and temptation; and while I recovered and came back to health, I watched in dismay as many around me suffered and even died from the complications of diseases associated and rooted in their poor nutrition. Yes, even as I succeeded, it seemed there was always one component missing. There was, and I found it after reading David Sandoval's breakthrough book, *The Green Foods Bible*, and then meeting him in person at a lecture that he delivered here in Florida. I am living proof, and thousands of others are living healthy, happier lives as well. I am thankful to have found David Sandoval and Purium Health Products, and recommend them with confidence to you today.

Take Control
of Your
Weight!

Weight Loss

Lose the weight once ... CONTROL your weight FOREVER!

Why don't most diets work?

Most diet programs are designed for short-term weight loss. The idea behind them is that you deprive your body of calories and nutrients to focus on just weight loss. But in the process, you lose health as well. Our weight control program focuses on total cellular SATISFACTION. Yes, you will consume fewer calories, but you'll still be receiving all the nutrients your body needs to THRIVE.

This isn't dieting!

We have designed products that are HEALTHY alternatives to the everyday food you eat. These simple changes can facilitate remarkable results. Instead of butter on your toast, use Organic Tropic Oil™. Do you have a hard time not snacking between meals? Use Activated Barley™ to help curb your appetite.

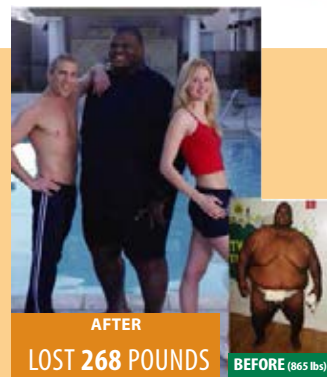

- Crave and eat less
- Increase your metabolism
- Block more sugars and carbs
- Convert less fat

It's that simple.
It's that revolutionary!

"One day 'on.' One day 'off.' Repeat. It's a simple rotation diet that I created for my first Celebrity Transformer. His name is Manny 'Tiny' Yarbrough. However, 'Tiny' wasn't so tiny. He is actually in the Guinness Book of World Records as the largest athlete in human history. And, by the time I met him, Manny was 865 pounds (300 pounds over his competition weight as a sumo wrestler) and could barely get out of bed. It was out of necessity that I had to create a program that could quickly impact his weight and his health, while at the same time, this program had to be something he could maintain over a long period of time. 5 months later, Manny had lost 268 pounds and everything about him had changed. He could run. He could lift weights. His vital signs were vastly improved. His energy was through the roof.

I have now applied the same 'rotation diet' philosophy as a bridge out of the 10-Day Transformation into a long-term healthy lifestyle. If you want the complete Transformation Experience, you can't stop at just 10 days!"

- David Sandoval

Frieda Bobay

Fitness Model & Natural Body Builder
Achievements: 3rd place in Women's Fitness Model division of the Zac Titus "Fame Hollywood 2007" competition

"I used to live fairly unhealthy. I've always wanted to get in shape, but the drive wasn't there until a friend of mine, a personal trainer [Koya Webb], got me to sign up for a fitness competition.

I had to shape up fast. I used a combination of products - Spirulina, Organic Kamut, Rice Bran Solubles, and **Activated Barley** as well as the **Super Amino 23™** to dramatically improve my workout. Whenever I had a sugar craving while I was working out, I had a green shake. When I didn't I'd be lethargic and tired.

Family Nutrition

Purium Makes Real Food a Priority for Our Family and Yours

Before Purium introduces any new product, Purium Co-Founder and President Amy Venner asks herself one simple question – “Is this something I would give to my daughters Madilyn and Addison?” She doesn’t want her daughters consuming unhealthy food and doesn’t want your kids to consume unhealthy foods either. She knows that what we DON’T put in our products is as important as what we DO put in.

Help your family stay healthy NATURALLY!

Our products are designed to provide nutrients necessary to support healthy immune and digestive function and keep the whole family nourished... without any unnecessary ingredients. That means absolutely NO artificial colors, NO artificial flavors, NO artificial sweeteners, NO genetically modified ingredients, NO irradiated ingredients, NO binders, fillers or synthetic ingredients of any kind.

Greens are
the Basis
for Life

Greens

WHY Greens?

Green leafy vegetables typically contain 20 times more essential nutrients than other foods ounce for ounce. Furthermore the nutrients in deep green leafy vegetables are so important that they actually make the nutrients found in other foods work far more effectively.

RESTORE Your Body's Natural Balance

If we fail to eat quality green vegetables on a daily basis, dozens of valuable cleansing, building and eliminative functions fail to work properly. Greens help distribute oxygen in the blood, detoxify our tissue and organs, balance the pH of the body, deliver vital nutrients and help repair damaged DNA. They are integral to our energy, immunity, mental health, and longevity. Finding the perfect green drink for you is made easy with the pure, premium choices offered by Purium.

GREENS TESTIMONIAL

Jackie Page

To me there is no other Kamut or wheatgrass on the planet that is as pure as Purium's Organic Kamut Blend – it is absolutely my favorite product. Nothing out there compares to the quality and the integrity of this blend. I use it every day because it goes right into your cells and starts detoxifying them right away. I am a huge advocate for all of Purium's wonderful products, but when I introduce the line to others, I always insist they try the Organic Kamut Blend first and foremost. Other products may take a bit of time to demonstrate results, but as soon as you start taking the Kamut, you feel it. My friends try the Kamut, and say, "Wow!" It gives fast results, and then they are hooked like me!
