

August PLC Special: Daily Fiber Blend

Don't let poor digestion weigh you down.

Studies show that fiber is more essential to daily living than previously understood. But many fiber products out there are way too harsh on our bodies. Daily Fiber Blend™ is a proprietary blend of the most effective and gentle dietary fiber, protein, essential fatty acids, and enzymes. Unlike other fiber products, Daily Fiber Blend was designed by David Sandoval to reduce discomfort by balancing the "roughage" with soluble fibers and essential fats that are healing and lubricating. The sprouted heirloom seedlings create enzyme and enzyme precursors that speed digestion. This allows the sponge-like apple fibers, brush-like psyllium, and broom-like rice bran to do an effective job at normalizing your bowel function. We recommend combining it with the Herbal Fiber Cleanse™ and any of our green drinks for comprehensive digestive and immune system support.

- May enhance bowel function
- Supports healthy cardiovascular function
- Contains highly digestible amino acids
- May support a weight loss regimen

Instructions: Take 1 scoop (2 tbsp) mixed with water, juice, or your favorite smoothie- best taken 1-2 hours before bedtime or instead of a snack.

Ingredients: organic flax seed, rice bran, psyllium husk, organically-grown Activated Barley, apple fiber, acacia gum, inulin-FOS (FructoOligo Saccharides), larch arabinogalactan, FiberAid™ prebiotic, fennel seed, chia seed, organic sprouted quinoa, organic sprouted amaranth, organic sprouted spelt, organic sprouted wheat, pineapple flavor, glucomannan, black walnut hull.
