# I Got **90-Day** Results in Just **10 Days!**

**Pennie H.**  
Fat has been falling off in all the right places! My bust size has not changed much but my stomach is just melting. I could not be happier. I want all the gals in our 100-person singing group to try this program. I was at a stand-still before my 10-Day Transformation. This was a breakthrough!

**LOST 21 pounds and 21 inches**

**Julian M.**  
"I was eating fast food every day, putting trash into my body. Now I can't stand the taste of it. My sweet tooth is completely GONE. I play volleyball instead of sitting on the couch playing video games all of the time. My knees don't hurt. I feel great!"

**LOST 17.5 pounds and 10 inches**

**Eddie C.**  
"The 10-Day Transformation is the best thing I have ever done for my health. Before I started, I didn't want to look in the mirror. My boss was calling me names. I was taking up to 9 Advil a day for joint pain. In just 10 days I lost 15 pounds! I am going for 40 days. It keeps getting better and easier every day. I feel empowered, confident and in control of my body and my mind."

**LOST 15 pounds and 6.5 inches**

**Guyla A.**  
I'd been unhealthy for so long, I started to accept my fate. I was becoming an observer, not a participant, in the lives of my 11 kids. Then I tried David Sandoval's 10-Day Transformation. I'm truly surprised how quickly my body has changed! In just 10 days, I lost almost 20 pounds and went from a size 20 to a size 14!

**LOST 19.9 pounds a size 20 to 14**

## I got **lean** eating **green!**

**Frieda B.**  
Before Koya and David introduced me to eating clean and green with Purium superfoods, I really wasn't in bathing suit shape. I was living on coffee and junk food. After just 10 days on David's Transformation Program my body began to de-tox and I knew I was on my way! I continued on Purium's maintenance program and only 90 days later I shocked myself when I placed third in my first fitness competition.

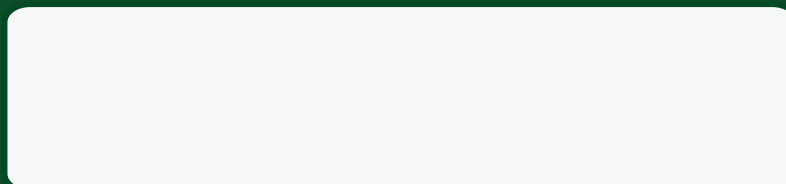

**AMAZING 90-Day Detox**

**Monika L.**  
"It's amazing to think that less than 10 months ago I weighed 310 pounds and now I weigh 190! The Transformation has totally changed my life. Now I crave healthy food. I exercise. And I feel like I've always wanted to feel!"

**LOST 120 pounds in 12 months**
