Please note: All quoted prices are Premium Distributor prices which requires established Back-Up Order. A Back-Up Order is a monthly recurring order set-up by a distributor which is released on the 21st of every month if a distributor chooses not to purchase product orders totaling at least 50 BV by 2pm Greenwich Mean Time (UTC) on the 20th of the month. An activated Back-Up Order of 50 BV or more automatically qualifies a distributor to be a Premium Distributor. Your personal Back-Up Order can be established in your online back office area.

BV: Bonus Volume - Basics of calculation for payout. Net prices and BV are the same in all countries.
 UK=United Kingdom, A=Austria, I=Italy, EU=all other countries.
 Prices include applicable VAT: UK: 20%; I: 10%/22%, A & EU (all other countries, apart from Germany): 10%/20%.
