

ISHOPPURIUM SMART ORDER

Smart Order is now available to all Customers and Brand Partners through iShopPurium.com.

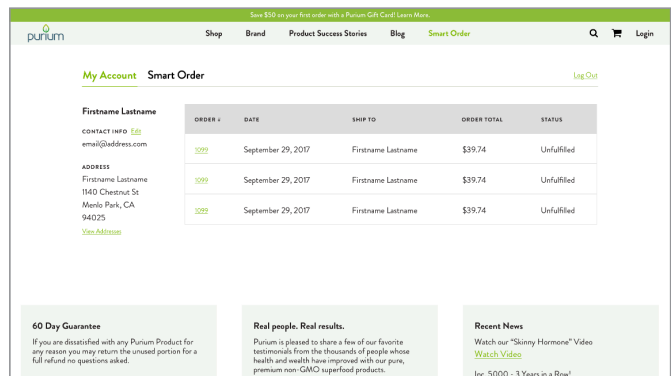

1. Log in to iShopPurium.com
2. Click Smart Order in the Navigation Bar
3. First time set up - add payment info and shipping address
4. Add items to your order
5. Choose a shipping date: 1st - 20th
6. Review order details.
7. Relax knowing you'll never be without your favorite superfoods!

IMPORTANT:

- If you place a Purium order (outside of your Smart Order) before your scheduled monthly Smart Order date, that Smart Order will not be processed, but will still be scheduled for the following month
- Smart Order is limited to only 1 per month per account
- The Back Office is still another option for Smart Order options for Brand Partners

Modify and manage your Smart Order in Customer Account settings.

Find Smart Order notifications on the Order Confirmation page.
