

DOING BUSINESS IN CANADA

Overview

Purium operates in Canada using a “Not for Resale” (NFR) business model, meaning all product shipments and transactions occur from the US and in US currency. Although we allow the enrollment of Customers and Brand Partners in Canada, all product transactions should be conducted through iShopPurium.com or puriumbackoffice.com, not through personal means. We also do not offer product labels or marketing materials in French.

What’s the Same as the US

- Products (*except CBD+ 1500 is not available in Canada*)
- Prices
- Compensation Plan
- Websites
- Gift Cards
- Social Media
- Phone App
- Marketing Tools
- Training

What’s Different than the US

- Shipping
- Payment of Commissions
- Conference Calls
- Text Platform

Shipping

- Standard Shipping & Handling: \$17.95 (US dollars)
- Expected shipment time: 4-7 business days based on location
- Expedited FedEx shipping: Fee and availability based on location

DOING BUSINESS IN CANADA

Payment of Commissions

- Standard Method: By check from Home Office in California, US.
- No charge for processing or delivery
- Note: Several Canadian banks allow for direct deposit into a US account, with immediate conversion.

Conference Call

- Phone number for all corporate conference calls: 712-432-7658 / PIN 7873#
- Podcast available for those without access to “712” numbers:
<http://sos1.conferencebridge.com/listen/7873>

Text Platform

Use short code 70734 when using Purium text platform in Canada.
