I was introduced to Purium about a year ago, and it triggered a new way of thinking about my health, and as I learned more about gift card marketing, that trigger has turned into a great little business that keeps on growing! If you are an entrepreneur, this really is the new way, without all the hassles of "traditional" business ownership.

Now I understand why I had to experience all that I did in the past, it was so that TODAY I could apply the lessons learned to my network marketing business that rewards my efforts and the efforts of my team consistently...Purium, thank you for allowing us to join you on this mission to better the lives of those we love!

Our experience has been amazing! We are very blessed that our Doctor, Dr. Dana McGrady shared this with us at the end of July. When she told me she was flying to the first national Convention in California in 6 days, my husband I made the decision for me to go and see what this was about. And from then it has been an awesome journey. We plan on going to the top with Purium as we are just getting started! We are honored to be a part of this amazing movement!
