

LIVE STREAMING PARTIES OUTLINE

OBJECTIVE:

Create an online HHH to gain leads/exposures, create momentum for a new enrollee, and create duplication.

Any guest who attends they will receive a Power Shake sample pouch and a 50 dollar gift card from the person who invited them.

Before they begin their Transformation, challenge them to invite their top 10 influencers. It is important that we do NOT spam by just inviting randomly. See HOW TO INVITE below.

3. The UPLINE should be doing this for their brand new enrollment. And the upline will be doing the FB live in the Event.
4. Post the “Purium game” image 1 hour before Event starts
5. Post the “addicted to food” image 30 minutes before Event starts

II. HOW TO INVITE

A. CALL your Top 10 influencers and ask them to:

1. Join you to learn more about the group cleanse
2. Accept the invitation on Facebook
3. Be in a group as a warm body and be on the FB live
4. Invite 1 friend to join with them

TIP - Avoid Spamming. Facebook is really strict as people get added everyday into groups they don't want to be in. In order for these LSP's (Live Streaming Parties) to work the way we all want them to, we need to EXCITE and INVITE into these Facebook Live Events!
