

BIO RELAX CAPSULES

SLEEP HEALTHY

Deep sleep isn't just for babies. Insufficient sleep can lead to all kinds of chronic diseases and conditions—from the body to the brain.

And, don't forget beauty. Relaxing facial muscles and skeletal tension for 8-10 hours per night can help prevent age lines and wrinkles.

Instead of investing in chemicals or needle treatments, why not try an all-natural, healthy alternative? Made with tart cherries, organic passiflora, organic cranberries, kava root and hyaluronic acid, Bio Relax provides for deep restful sleep and tension relief while awake.
